We hereby certify the products (articles) produced have been manufactured and tested in accordance with the applicable purchase order, drawing and specifications. All manufacturing processes have been performed under third party approved AS9100 Quality Management System.

Test reports are on file and available for review to substantiate conformance on the above product. Raw material used to manufacture these parts conform to applicable sections DFARS 252.225.7008 & 252.225.7009 preference for domestic specialties metals.

No asbestos (or asbestos compounds) has come in contact with our products while in production at our facility. No mercury (or mercury compounds) has come in contact with our products while in production at our facility.

Boeing (if applicable)

Seller hereby acknowledges that the parts and / or materials being shipped under this order are intended for use under Boeing's Federal Aviation Administration (FAA) issued production certificate 700.

Pratt & Whitney (if applicable)

Parts have been controlled to PWA requirements for LCS per PWA MCL Manual Section F-17.

Northrup Grumman (if applicable)

No prohibited materials are present to their deliverable product per Q44.

If product is labelled as TSO-C171

TSO-C171 all manufacturing processes have been performed under third party approved AS9100 Quality Management System. Test reports are on file and available for review to substantiate conformance on the above product. The parts identified as TSO have been inspected per TSO-C171. The conditions and test required for TSO approval of this article are minimum performance standards. Aircraft clamps approved under this TSO are not necessarily interchangeable with other aircraft clamps approved under widely substituted only if acceptable to or approved by the administrator.
